Parents / Guardians: Can you describe your relationship with God to this point in your life? (You might think about or reflect on these or similar questions to guide your response: Do you believe in God? How would you describe the God you believe in / don't believe in? Do you believe it is possible to have a personal relationship with God? Would you say that you have a personal relationship with God? Describe. How close do you feel to God? Has that changed over the years? What do you know or believe about Jesus? Have you ever been part of a church? Which one(s)? To what degree has involvement in a faith community been a part of your spiritual journey? Has this been positive or negative for you? Who or what would you say are your biggest spiritual influences today? Feel free to continue onto the back of this sheet if needed, and answer to the degree that you feel comfortable. Your responses will be kept confidential).

If you could ask God one question, and knew that God would answer you right away, what would you ask and why?

Thank you!
